Questions?
Submit your questions in advance for the faculty to address and answer during the webinar sessions

Submit your questions

Webinar 1: Monday 21 September
Routine immunisation and COVID-19: Catching up and readiness for a 'second wave'
Co-Chairs: Prof Carl-Heinz Wirsing von König and Dr Nicole Guisso
Faculty Panel: Dr George Kassianos and Dr Javier Diez-Domingo

Webinar 2: Monday 05 October
Influenza epidemiology during the COVID-19 pandemic
Chair: Prof Elena Bozzola
Faculty Panel: Dr Javier Diez-Domingo

Webinar 3: Monday 19 October
Surveillance systems
Chair: Prof David Salisbury
Faculty Panel: Prof Joan Puig-Barberà

Webinar 4: Monday 02 November
Deep dive session – choose the two topics that you want to learn more about and we’ll discuss it live
Chair: Prof David Salisbury
Faculty Panel: ‘Public’ vote to determine faculty

Webinar 5: Monday 16 November
Influenza vaccination: Evolving strategies and applying best practices during COVID-19
Chair: Prof Federico Martinón-Torres
Faculty Panel: Prof Alberto Villani, Prof Gaetan Gavazzi and Prof Jörg Schelling

Webinar 6: Monday 30 November
Health communication and influenza vaccination in the COVID-19 era
Chair: Prof David Salisbury
Faculty Panel: Dr George Kassianos, Emilie Karafillakis, Phillip Weiss and Gary Finnegan

How has your experience with influenza helped shape your response to COVID-19 and how will your learnings from the COVID-19 pandemic impact your future immunisation programmes?

We would like to hear your experiences, thoughts, case studies and to discuss them during our live panel discussions.

Submit case study

The webinars have been accredited for Continuing Professional Development (CPD). Each webinar with its pre-reads will be awarded 2 points. A total of 12 CPD points will be available for the series
